

ICD-10. Meaningful Use Stage-2. What You Need to Know.

You have questions and you're not alone.

Come join other members of the gloStream family for a gathering of best practices and sessions on the topics that you care about.

gloStream's "glo'ing Strong Together Event"

THURSDAY, OCTOBER 3, 2013

1 PM – 5:30 PM

Keynote Introduction, Educational Sessions,
Best Practice Conversations and Q & A

5:30 PM – 8:30 PM

Strolling Dinner/Drinks and Meet Other Users

Evening Conversation:

"Health Tech and the Law: Opportunistic or Risky?"
with Lori-Ann Rickard, Attorney

MEC Conference Center and Banquet Hall

811 West Square Lake Road, Troy, MI 48098

This event is designed to bring together gloStream users across Michigan to share best practices, while also learning additional insights on Meaningful Use and ICD-10 from gloStream's team members.
